Water Boiler Cases

BilKaCase
in CASE you need us...

ATA Spec 300 shipping containers are tested and engineered for long- term service. All BilKa Case ATA containers meet the requirements of the Air Transportation Association Spec 300 Category I. BilKa Case ATA Containers are water resistant, dust proof and resistant to repeated impact and excessive shock. Our worldwide customers enjoy years of service.

Best fit for aircraft water boilers and similar equipment.

- Case shells are molded from impact resistant PE.
- BilKa Cases are designed and produced in our AS9100 certified facility.
